

Subpart F—PHAS Scoring

§ 902.60 Data collection.

(a) *Fiscal Year Reporting Period—limitation on changes after PHAS effectiveness.* An assessed fiscal year for purposes of the PHAS corresponds to a PHA's fiscal year. To allow for a period of consistent assessments to refine and make necessary adjustments to the PHAS, a PHA is not permitted to change its fiscal year for the first 3 full fiscal years following the effective date of this part (see § 902.1(e)).

(b) *Physical Condition information.* Information necessary to conduct the physical condition assessment under subpart B of this part will be obtained from HUD inspectors during the fiscal year being scored through electronic transmission of the data.

(c) *Financial Condition information.* Year-end financial information to conduct the assessment under subpart C, Financial Condition, of this part will be submitted by a PHA through electronic transmission of the data to HUD not later than 60 days after the end of the PHA's fiscal year. An audited report of the year-end financial information is due not later than 9 months after the end of the PHA's fiscal year.

(d) *Management Operations and Resident Service and Satisfaction information.* A PHA shall provide certification to HUD as to data required under subpart D, Management Operations, of this part and subpart E, Resident Service and Satisfaction, of this part not later than 60 days after the end of the PHA's fiscal year.

(1) The certification shall be approved by PHA Board resolution, and signed and attested to by the Executive Director.

(2) PHAs shall maintain documentation for 3 years verifying all certified indicators for HUD on-site review.

(e) *Failure to submit data by due date.* If a PHA without a finding of good cause by HUD does not submit its certifications or year-end financial information, required by this part, or submits its certifications or year-end financial information more than 15 days past the due date, appropriate sanctions may be imposed, including a reduction of 1 point in the total PHAS score for each 15-day period past the

due date. If all certifications or year-end financial information are not received within 90 days past the due date, the PHA will receive a presumptive rating of failure in all of the PHAS indicators and components certified to, which shall result in troubled and troubled designations.

(f) *Verification of information submitted.* (1) A PHA's certifications, year-end financial information and any supporting documentation are subject to verification by HUD at any time. Appropriate sanctions for intentional false certification will be imposed, including civil penalties, suspension or debarment of the signatories, the loss of high performer designation, a lower score under individual PHAS indicators and a lower overall PHAS score.

(2) A PHA that cannot provide justifying documentation to REAC, or to the PHA's independent auditor for the assessment under any indicator(s) or component(s) shall receive a score of 0 for the relevant indicator(s) or component(s), and its overall PHAS score shall be lowered.

(3) A PHA's PHAS score under individual indicators or components, or its overall PHAS score, may be changed by HUD pursuant to the data included in the independent audit report, or obtained through such sources as HUD on-site review, investigations by HUD's Office of Fair Housing and Equal Opportunity, or reinspection by REAC, as applicable.

(g) *Management operations assumed by an RMC.* For those developments of a PHA where management operations have been assumed by an RMC, the PHA's certification shall identify the development and the management functions assumed by the RMC. The PHA shall obtain a certified questionnaire from the RMC as to the management functions undertaken by the RMC. Following verification of the RMC's certification, the PHA shall submit the RMC's certified questionnaire along with its own. The RMC's certification shall be approved by its Executive Director or Chief Executive Officer or responsible party.
